2019 HONDAJET ELITE

SERIAL NUMBER 42000138 | REGISTRATION N542MP

Coleman Jet Solutions is pleased to present HondaJet Elite s/n 42000138. This HondaJet Elite has an exceptional pedigree, having been owned and operated by one owner since new. Furthermore, the aircraft is professionally flown, has always hangared, and is managed by a prominent US management company. S/n 138 is enrolled on GE/Honda EMC2 Engine Program and HondaJet FlightReady P3 since new. All major maintenance has been done direct by HondaJet or HondaJet Factory Authorized Service Centers.

The care of the aircraft by the current owner is readily apparent in the overall condition of the aircraft's paint and interior. S/n 138 sports a six (6) passenger interior in the parchment color palette, with a forward side facing seat, four-place center club, and aft belted lavatory seat.

Serial Number 138 features several upgrades, including: CPDLC, TCAS II v7.1, TAWS Class A, and **"Enhanced" Speed Brakes for Steep Approach capability**. The cabin is equipped with the enhanced cabin management system, Bongiovi cabin audio system, and electrically dimmable shades. The aft lavatory includes a solid aft cabin door, externally serviceable toilet, and sink with running water.

As a result of several key innovations, the HondaJet has set a new standard for fuel-efficiency and performance. It's over-the-wing engines offer better airflow for greater power, lower cabin noise, and larger cabin volume. The HondaJet's use of Natural Laminar Flow significantly reduces aerodynamic drag for better fuel efficiency, and its composite fuselage makes the aircraft lighter and stronger. If you are looking for the best HondaJet Elite on the market, look no further than serial number 138.
