1997 CITATION VII

SERIAL NUMBER 650-7078 | REGISTRATION N1210N

Coleman Jet Solutions is excited to represent Citation VII s/n 7078, a “Better than New” example of a highly upgraded, recently refurbished and pristine aircraft. The buyer of s/n 7078 is likely to be someone who is considering a Citation Excel/XLS but has not found an example with the right mix of pedigree and price. With s/n 7078, you will get better performance than an XLS or Lear 45, in a package that has been refurbished to the highest standard.

Citation VII s/n 7078 will simply blow you away. Not only will the new owner have complete confidence being enrolled on MSP Gold for its engines and APU, it is also enrolled on MSPA for the avionics. Key features include:

- ❑ Universal “Insight” Flight Deck Upgrade installed by Duncan Aviation:
 - ❑ Next-generation SVS with cutting-edge graphics
 - ❑ Embedded eCharts and interactive digital maps with aircraft position
 - ❑ WAAS/LPV and RHP approach capability
 - ❑ Pilot-selectable screen layouts with a graphical user interface
 - ❑ Intuitive cursor clicks and touch-screen controls to simplify pilot interactions
 - ❑ 200 lb. increased payload
- ❑ New Paint and New Interior by Duncan Aviation in April, 2022
- ❑ GoGo Avance L3 WIFI System by Duncan Aviation
- ❑ Always US Based, Always Hangared, Exceptional Maintenance History

The exterior of Citation VII s/n 7078 was completely repainted by Duncan Aviation in April, 2022 and is in excellent condition. The paint scheme is easy on the eyes, with a “split-base” design of Snow White, Mandarin Orange and Charcoal. The aircraft interior was also completely refurbished by Duncan Aviation including hard goods, soft goods and plating. It is configured in the most sought after nine (9) passenger configuration with a forward two-place divan, mid-cabin four-place club, two forward facing aft seat, and a belted lavatory seat approved for take-off and landing.

Compare s/n 7078 to other mid-size jets including the Citation Excel/XLS. It flies faster, higher, and farther for less money. If you are looking for a “One of a Kind” turn-key jet that checks all the boxes, serial number 7078 is it.

ABOUT US

Our team of professionals have over 75 years of experiences in the aviation industry. As each year passes, our expertise sharpens, and the bonds forged with industry colleagues around the world strengthen. As the result, our clients benefit from access to superior market intelligence and our desire to serve others.

MISSION

We provide superior technical, regulatory, and financial guidance with uncompromising loyalty and unequalled results. Our expertise in aircraft research, aircraft evaluation, and shrewd negotiation techniques are for the sole benefit of our clients.
